

Proposed Solution

EduGenie – AI-Powered Learning Assistant

EduGenie is an AI-powered educational assistant powered by Google Gemini. It combines five essential study tools in one platform and is designed to make learning simpler, faster and more structured.

Five Core Study Tools

- 1 Question & Answer
- 2 Concept Explanation
- 3 Quiz Generator
- 4 Text Summarizer
- 5 Personalized Learning Path

Project Goal

Give students one assistant for understanding, revision, self-testing and planning what to learn next.
